

I am interested in learning more and helping the Madison County Storm Water Quality Partnership.

Name

Address

City, State, Zip

Phone (Optional)

Email (Optional)

I am involved in an organization that already contributes to the improvement of storm water quality in Madison County

The organization is:

A contact for the organization is:

I am willing to borrow an educational video and show it:

At my place of work

In my classroom

At my church or civic group

To my family

At my neighborhood association meeting

Other (Please explain below)

I am willing to participate on the steering committee of the Madison County Storm Water Initiative

I would like to participate by attending a booth/table at a community event (fair, etc.)

I have other ideas (Please explain below)
